Before Dharma Talks

An unsurpassed, penetrating and perfect dharma
Is rarely met with, even in a hundred thousand million kalpas.
Having it to see and listen to, to remember and accept,
I vow to taste the truth of the Tathagata's words.

In Japanese:

Mujō jīn jīn mi myō no hō wa
hyaku sēn mǎn go ni mo āi-o koto katashi
ware ima kēn-mōn shi ju-ji suru koto o etari
negawakuwa nyorāi no shīn-jitsu-gi o geshi tatematsurān
